If a candidate cannot personally come and retrieve the original documents from his file, for example the certificate of recognition of studies or acceptance letter, he needs a power of attorney that is a legal document granting another person the legal authority to act on his behalf or make certain decisions for him. It needs to be signed in front of a public notary. The power of attorney needs to be submitted in original and if it is not issued in Romania it needs to be authenticated or to have the Hague Apostille.

15. What do you mean when you say legalized by a notary, authenticated diploma or Hague Apostille?

Copies and translations **legalized by a notary** are made in front of a public notary that will certify their originality, conformity and legalization. It is available for any document.

Authentication is a process only for the High School Diploma and is possible by obtaining 3 stamps from:

- Ministry of Foreign Affairs from the issuing country;
- Embassy/Consular Office of Romania in the issuing country or the issuing country's Embassy/Consular Office in Romania (for countries where Romania does not have a diplomatic mission or countries which do not have diplomatic missions in Romania, the study documents shall be authenticated by the Ministry of Education and the Ministry of Foreign Affairs from the issuing country);

The Hague Apostille is a stamp needed on your High School Diploma in order for you to be able to access the Romanian education system.

Please check below if your diploma needs authentication, Hague Apostille or none.
